## PRINCIPAL'S MESSAGE

Dear families and caregivers

Welcome to Term 2.

It has been a very different start to the term and I would like to congratulate staff for their professionalism and flexibility in managing and implementing both at school and home learning.

It was great to see the happy smiling faces of students as they arrived on Monday. I am delighted with the way students have engaged with their learning in class. We have made some adaptations to games that we play but we are remembering to practice social distancing.

The year 7 tops look great. Although we have had some issues this year with sizing, their arrival has been timely.

The canteen will be open on Wednesdays and Thursdays for Subway lunch orders and Fridays for sushi orders and limited counter sales on these days. Order forms are available from the front office.

As the term progresses and Covid-19 information is released, we will adapt our school routines as necessary. Please check for notes and electronic updates regularly. If you have not already done so, please subscribe to our Skoolbag App (Instructions over page).

Due to Covid-19 and limited contact we are requesting that families limit using the front as a thoroughfare. Please only enter for urgent or necessary matters.

Sharon Robertson

Principal
